EXPERIENCE

Alpha

Paid Intern

Austin, Texas (remote)
September 2021 – June 2022

- Software tester for Alpha, an educational institution that utilizes proprietary software to establish curriculums for children in grades K-12
- Analyzed numerous math learning applications for their difficulty, time to complete, and ability to teach; evaluated how each application could be incorporated in the curriculum and presented findings to education team

Walmart

Seasonal Associate

Portsmouth, New Hampshire
June 2022 – August 2022

- Greeted customers, transported inventory, and performed sales duties within Walmart's lawn and garden section
- Responsible for management activities which included training new employees, distributing daily tasks to coworkers, and closing the store

Market Basket Grocery Store

Bagger and Cart Attendant

Stratham, New Hampshire
August 2020 – January 2022

- Ensured grocery store aisles were properly stocked, assisted customers with groceries at checkout, and answered any customer inquiries
- Collected and properly sanitized shopping carts in order to provide customers with a safe and enjoyable shopping experience during the pandemic

LEADERSHIP & ACTIVITIES

Alliance Consulting Group

Business Analyst

Ann Arbor, Michigan
January 2023 - Present

- Develop strategic action plans to assist local businesses in optimizing their business for success
- Attend weekly education sessions to improve technical skills and learn more about the consulting industry

Oyster River High School Clubs/Athletics

Math Team Captain / Tennis Team Captain

Durham, New Hampshire
August 2018 – June 2022

- Competed at #1 position and led tennis team to first state championship victory in school history. Organized additional offseason practices and selected for USA Today award show
- Led math team to state championship victory; increased membership from 5 to 25 through club fair and advertising
